

1

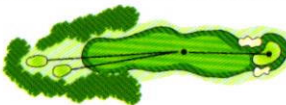

Short par 4. Reachable for the long hitter. Favor the right side of the fairway. Smart play is a fairway wood or long iron off the tee.

2

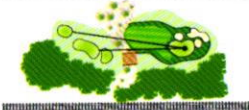

Par 5. Looks wide open but sand trap on the right and a large maple tree on the left makes it tight. Reachable in two, but not worth the risk. Check pin placement. Large undulating green.

3

Straight down the middle. Long iron or fairway wood is recommended off the tee.

4

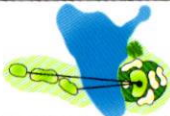

Par 3. Carry the marsh to a large undulating green. Check the wind and pin placement before you choose your club.

5

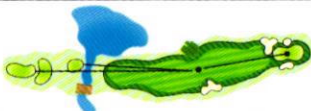

Long par 5. Favors left side off the tee and right side on second shot. Be careful of marsh on the right and traps on the left. Green is surrounded by bunkers.

6

Our signature hole. All carry over water to large green surrounded by bunkers.

7

Long and tight off the tee. Don't be left. Trees and mounds on the left could cause a problem for a second shot.

8

Par 4. Favors left side of the fairway. Check pin placement; can be tricky.

9

Large fairway makes this a birdie hole with a nice tee shot. Large green surrounded by bunkers. Check pin placement.

ATTEST:

DATE:

Short par 4. Check where you're aiming. The tee sets up to the right. Long hitter can carry the bunker on the left. Bunkers and water surround a small green.

Long and tight par 5.
Carry marsh to a large
fairway. Choose wisely
for your second shot.
Water on the right and
bunkers surround green.

Fairly long par 3. Water on the right and two bunkers on the left. Check wind and pin placement.

Short par 5. Reachable in two for the long hitter. Carry the mounds on the right and you'll have a chance to reach the green. If not, play the left side of the fairway.

Long par 4. Take 20-30 yards off by carrying the mounds on the left. Small elevated green. Choose your club wisely.

Par 4. Large fairway. A drive just short of 250 yards will keep you out of the bunkers left or right. Leaving you with about 100 yards to a small undulating green.

Short par 4. Fairway wood or a long iron is recommended off the tee. Favors left side. Green is surrounded by bunkers.

Par 3. All carry to a small but wide green. Green is surrounded by bunkers. Check the wind.

A diagram of a fish-like organism, possibly a larva, with a blue T-bar at the tail and green/yellow segments.

Long par 4. Hardest handicap hole on the course. You'll need a nice tee shot to reach the fairway. Green slopes to the left. Aim right.
